Clearwater International

At Clearwater International, we have an open and collaborative culture that embraces opportunities and encourages and rewards ambition. Our values of Personable, Adaptable and Committed are at the heart of how we do business and how we behave; we make a genuine difference to our clients, challenging ourselves to find the best solutions.

Make no mistake, we work incredibly hard but we have lots of fun along the way. We understand the importance of team and ensure all colleagues have the right environment in which to excel; to deliver the best outcomes for clients whilst growing professionally and personally; offering the opportunity to work globally, with the scope to move around the organisation as you develop your career.

Clearwater International is looking for ambitious Analysts for our team in Aarhus

Clearwater International Denmark currently has 40 highly skilled employees, who consider it a motivating challenge to maintain our position as one of the leading advisors in M&A / Corporate Finance in Denmark.

Now we need more colleagues!

The position

As an Analyst at Clearwater International, your primary tasks will consist of:

- Collecting and structuring information and data
- Strategic and financial analysis of companies
- Market and industry analysis
- Valuation of companies
- Preparation of client presentations, sales material and process material

Your profile

You are studying a relevant financial or economic education and are among the top performers in your class.
In addition, we envisage that you:

- are analytically strong and have financial, accounting and strategic knowledge
- have a strong interest in Corporate Finance / M&A / valuation
- are structured and thrive in a dynamic and demanding high-quality work environment
- have the ability to communicate complex issues, both verbally and in writing
- are effective in a team setting, contributing positively to the team and working atmosphere
- are a good colleague, committed and spread a positive mood!

We offer

We offer you a challenging and educational job with great opportunities to develop your professional and personal competences and relations. A dynamic and focused work environment with talented and skilled colleagues, who are at the top of the industry.
If you want to join our team, please send your application, CV, academic transcript and other relevant documents in a single pdf file to Director, Mads Højdahl: mads.hojdahl@cwicf.com prior to the 15th of October 2021. Interviews will be held continuously.
